LETTER OF APPRECIATION

This is to appreciate Vaibhav Choudhary, a 3rd year Bachelor of Engineering student from Electronics and Communications Engineering department, Netaji Subhas Institute of Technology, University of Delhi who has interned with us at Bharti Airtel Ltd. Core for a duration of eight weeks. During this period of internship, he learnt about the entire work structure of the Networks Department. He has worked sincerely towards his project on **"VoLTE Performance Assurance, Real Time Network Simulation, Automation of Router Login"** which has delivered valuable functionality for Strategy Architecture and Engineering Division of Airtel.

He has demonstrated technical competence in handling the problems that he faced and has shown utmost dedication towards completing the assigned projects. His technical abilities and diligence will prove to be an asset for any organization that he works for.

Mr. Gaurav Royzada

Deputy General Manager, Networks

Strategy Architecture and Engineering, Networks Department
